

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

SONYA BRIGGS,	)	
	)	CASE NO. C20-5783-MAT
Plaintiff,	)	
	)	
v.	)	
	)	ORDER
COMMISSIONER OF SOCIAL	)	
SECURITY,	)	
	)	
Defendant.	)	
_____	)	

This matter comes before the Court on Plaintiff's motion for reconsideration (Dkt. 20). Motions for reconsideration are disfavored in this district and will be granted only on a "showing of manifest error in the prior ruling" or "new facts or legal authority which could not have been brought to [the Court's] attention earlier with reasonable diligence." Local Civil Rule (W.D. Wash.) 7(h)(1).

After reviewing both Plaintiff's motion and the Commissioner's response (Dkt. 21), as well as Plaintiff's reply (Dkt. 22), the Court finds that Plaintiff has shown no manifest error or mistake in the court's prior order (Dkt. 18), nor does she cite new facts or authority that could not have been brought to the Court's attention earlier. Although she reiterates and expands

01 upon her argument that the ALJ erred at step two, Plaintiff has still not shown that the ALJ  
02 erred in finding (AR 38) no severe mental impairment. The ALJ's step-two finding is  
03 supported by substantial evidence, and, moreover, reasonable in light of Plaintiff's failure to  
04 allege a disabling mental impairment (AR 257) and disclaiming of any mental limitations (AR  
05 296-97).

06 Accordingly, the Court DENIES Plaintiff's motion for reconsideration (Dkt. 20).

07 Dated this 10th day of June, 2021.
